

Bahrain National Galvanized Cable Tray Manufacturers

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Galvanised Cable Tray manufacturers.

Key Takeaways

Key manufacturers of galvanized cable trays in Bahrain include Navitas Electricals WLL, BSLI, Jeetmull Jaichandlall (P) Ltd., and Ameer Industries. Leading Manufacturers

Navitas Electricals WLL manufactures, supplies, and installs a wide range of cable trays in compliance with NEMA VE-1, BS, and European standards. Their product line includes various dimensions and finishes, along with fittings and accessories suitable for commercial, industrial, and public works projects. Bahrain Switchgear & Lighting Industries (BSLI) offers a refined range of cable trays and trunking, produced using modern computer-controlled machinery to ensure high accuracy and quality. They focus on technical innovation and timely delivery for diverse customer requirements. Jeetmull Jaichandlall (P) Ltd. is recognized as one of the top galvanized cable tray manufacturers in Bahrain. They provide trays in multiple sizes, shapes, and finishes, with on-site manufacturing facilities equipped with advanced technology. Their products are designed to meet strict industry standards and are suitable for various sectors. Ameer Industries (AMETECH) specializes in GI cable management systems, including cable trays, ladders, and trunking. Their systems are designed to support, protect, and route power and network cables efficiently across buildings and industrial installations.

Additional Suppliers

Other suppliers in Bahrain, such as those listed on cabletrayuae.com, provide a broad range of cable tray products including ladders, trunking, and grating systems, catering to both local and regional projects .

Summary

For high-quality galvanized cable trays in Bahrain, Navitas Electricals WLL, BSLI, Jeetmull Jaichandlall (P) Ltd., and Ameeri Industries are the primary manufacturers. They offer a combination of manufacturing expertise, compliance with international standards, and customization options to meet industrial, commercial, and public works requirements.
