

Barbados Floor-Standing Distribution Box Manufacturer

Overview

These sources collectively provide a comprehensive overview of options for acquiring construction distribution boxes in Barbados.

Key Takeaways

Barbados Packaging Industries (BPI) and Caribbean Packaging Industries (CPI) are leading local manufacturers of corrugated and custom packaging solutions suitable for distribution boxes. Key Manufacturers

1. Barbados Packaging Industries (BPI) BPI, established in 1982, specializes in corrugated boxes, disposable food service containers, and other packaging materials. They offer a wide range of customizable corrugated boxes that can be adapted for floor-standing distribution purposes, including various sizes, colors, and printed options. BPI serves wholesalers and retailers across Barbados and has a retail outlet at Sky Mall, Haggatt Hall, St Michael, for direct orders and consultations on custom packaging solutions (BPI Products Page) . 2. Caribbean Packaging Industries (CPI) CPI, part of a regional network including operations in Trinidad and Jamaica, manufactures corrugated paper packaging and has over 60 years of experience in the Caribbean market. Their products include the classic “brown box” and other corrugated formats suitable for storage and distribution. CPI emphasizes reliable supply and quality, making them a strong option for businesses needing durable floor-standing boxes (CPI Website) .

Additional Resources

- Suntraders Ltd supplies construction and specialty products in Barbados, which may include industrial packaging or distribution solutions for construction and retail sectors (Suntraders Ltd Website) .
- For a broader list of manufacturing companies in Barbados, including packaging and container suppliers, Dun & Bradstreet provides detailed company profiles, which can help identify additional local manufacturers (D&B Barbados Manufacturing Directory) .

Recommendations

For businesses seeking floor-standing distribution boxes in Barbados:

- Contact BPI or CPI directly to discuss custom sizes, materials, and printing options.
- Specify the intended use (e.g., electronics, retail, or industrial distribution) to ensure the boxes meet durability and safety requirements.
- Consider visiting BPI's retail outlet for hands-on consultation and sample inspection. These manufacturers provide the most relevant local solutions for floor-standing distribution boxes, with the flexibility to meet custom requirements.
