

Cable Tray Cost Table in Singapore

Overview

Discover a wide range of cable trays for efficient wire management. Perfect for home, office, or industrial use.

Key Takeaways

- Cable tray prices in Singapore vary widely depending on material, size, duty rating, and coating, typically ranging from SGD 20 to SGD 200 per meter for standard industrial trays.
- Factors Affecting Cable Tray Pricing**
- **Material:** Cable trays are available in stainless steel (SS304, SS316, SS316L), hot-dipped galvanized steel, mild steel, aluminum, epoxy-coated steel, and FRP/GRP. Stainless steel and FRP/GRP trays are generally more expensive due to corrosion resistance and durability .
 - **Duty Rating:** Trays are classified as light duty (13mm), medium duty (25mm), heavy duty (50-100mm), and super heavy duty (50mm and above). Higher duty trays designed to support heavier cables or industrial loads cost more .
 - **Tray Type and Design:** Options include perforated trays, wire mesh trays, ladder trays, and trunking systems. Wire mesh trays are often lighter and easier to install, while ladder and heavy-duty trays are more robust and pricier .
 - **Size and Dimensions:** Tray width and depth affect cost. Common widths range from 100mm to 600mm, with larger trays requiring more material and higher prices .
 - **Coatings and Finishes:** Epoxy powder coating, hot-dipped galvanization, or zinc-aluminum-magnesium (ZAM) coatings increase resistance to corrosion and environmental wear, adding to the cost .

- Standards Compliance: Trays meeting IEC 61537, NEMA VE-1, or Singapore SS249 standards may carry a premium due to quality assurance and regulatory compliance .

Typical Price Ranges

- Light-duty perforated or wire mesh trays: SGD 20–50 per meter

- Medium-duty steel or aluminum trays: SGD 50–100 per meter

- Heavy-duty or stainless steel trays: SGD 100–200 per meter

- Specialty trays (FRP/GRP, epoxy-coated, or custom sizes): Prices may exceed SGD 200 per meter depending on specifications

Suppliers in Singapore

- RS Singapore: Offers a wide range of wire mesh and steel trays with online ordering and next-day delivery .

- AE Hub: Supplies metallic cable trays, ladders, and trunking in various materials and duty ratings .

- Wanco Electric Pte Ltd: Provides perforated steel, stainless steel, aluminum, and FRP trays with multiple coating options .

- United U-Li Projects Pte Ltd: Offers comprehensive cable management systems including trays, ladders, and trunkings for industrial projects .

- IGEMarket: Lists various tray sizes and accessories for commercial and industrial use .

Recommendations

For accurate pricing, it is advisable to contact suppliers directly with your project specifications, including tray type, material, size, duty rating, and quantity. Bulk orders or long-term contracts may also qualify for discounts. Additionally, consider accessories such as covers, joints, and cable markers, which can affect the total cost.
