

Domestic Cable Tray Companies

Overview

Locate Cable Trays suppliers, manufacturers & distributors in California. Interactive map of California provided.

Key Takeaways

Top domestic cable tray brands in North America include Atkore (Cope Cable Tray), Thomas & Betts (ABB Group), Eaton B-Line, and Snake Tray, offering durable, UL- and NEMA-compliant solutions for industrial and commercial applications. Leading Domestic Brands

Atkore (Cope Cable Tray) – Offers a broad range of cable trays suitable for heavy-duty industrial, commercial, and data center projects. Known for durable construction and compliance with UL, NEMA, and CSA standards, Atkore provides modular and customizable solutions for complex installations . Thomas & Betts (ABB Group) – Specializes in easy-to-install, high-quality cable trays for utility, industrial, and commercial sectors. Their products meet North American safety standards and are widely used in energy and infrastructure projects . Eaton B-Line – Provides an extensive portfolio of cable trays, support systems, and accessories. Eaton emphasizes flexibility, corrosion resistance, and compatibility with large-scale industrial and commercial installations . Snake Tray – Focuses on innovative cable management solutions, including aluminum and steel trays for data centers, solar installations, and transit projects. Snake Tray is recognized for reducing installation costs and providing reliable, modular systems .

Key Considerations for Choosing a Domestic Brand

- **Compliance and Certifications:** Ensure products meet UL 1953, IEC 61557, RoHS, and NFPA 70E standards for safety and performance .
- **Material and Durability:** Aluminum and galvanized steel are preferred for corrosion resistance and long-term reliability. Fire-retardant and load-rated options are available for demanding environments .
- **Modularity and Customization:** Many domestic brands offer pre-fabricated modular designs, integrated grounding systems, and flexible configurations to simplify installation and scalability .
- **Lead Time and Procurement:** Typical delivery ranges from 15–30 days, with bulk order discounts up to 25% for large-scale projects .

Summary

For domestic projects in North America, Atkore, Thomas & Betts, Eaton B-Line, and Snake Tray are the most reliable cable tray brands. They provide a combination of durability, compliance with safety standards, modularity, and cost-effective solutions, making them suitable for industrial, commercial, and data center applications .

Article Content

Cable Tray Systems

Our cable tray systems meet or exceed all the NEMA, UL, CTI, and CSA standards and are utilized in

Cable Trays Suppliers in California
