

Huijue Fiber Optic Patch Cord Brand and Model

Overview

All products use G652D/G657A single-mode or multimode fibers with low insertion loss, high return loss, and excellent repeatability.

Key Takeaways

Huijue fiber optic patch cords are manufactured by Shanghai Huijue Network Communication Equipment Co., Ltd., offering a range of single-mode and multi-mode patch cords with various connector types including LC, SC, FC, MPO, and MTRJ.

The brand of these fiber optic patch cords is Huijue, produced by Shanghai Huijue Network Communication Equipment Co., Ltd., a professional manufacturer of telecom and communication products based in Shanghai, China . Huijue specializes in fiber optic patch cords, enclosures, distribution frames, optical transceivers, adapters, and other optical components .

Models and Types

Huijue offers a diverse range of fiber optic patch cords, including:

- Single-mode patch cords: Designed for long-distance, high-speed data transmission, available in simplex and duplex configurations.
- Multi-mode patch cords: Typically OM1, OM2, OM3, and OM4 fibers for LAN, campus networks, and data centers.

- Connector types:
- LC-LC: High-density, low-loss, plug-and-play connectivity.
- SC, FC: Standard connectors for various optical devices.
- MPO/MTP: Multi-fiber connectors supporting 4, 8, 12, or 24 fibers, suitable for 40G/100G/400G data center applications.
- MTRJ-MTRJ: Duplex multimode patch cords, commonly 62.5/125 fiber for LAN applications .
- Specialized versions:
- Armored patch cords: Stainless steel tube for harsh indoor environments.
- Bend-insensitive cords: Allow flexible installation without signal loss.
- PC and APC finishes: For low insertion loss and high return loss performance .

Applications

Huijue patch cords are used in telecommunication networks, data centers, LAN/Ethernet management, campus networks, and high-speed fiber optic systems. They are compliant with ISO standards, RoHS, Telcordia GR-326-CORE, and IEC 874-1, ensuring reliability and quality .

Summary

- Brand: Huijue
- Manufacturer: Shanghai Huijue Network Communication Equipment Co., Ltd.
- Models: Single-mode, multi-mode, LC, SC, FC, MPO, MTRJ, armored, bend-insensitive, PC/APC finishes
- Applications: Data centers, LAN, campus networks, telecom networks Huijue provides customizable options and OEM services, allowing customers to select specific fiber types, connector configurations, and lengths according to project requirements .
