

Metal Mesh Cable Tray Models and Prices

Overview

Wire Mesh Trays | McMaster-Carr Choose from our selection of wire mesh trays, including over 475 products in a wide range of styles and sizes. Same and Next.

Key Takeaways

Metal mesh cable trays are available in a variety of sizes, materials, and configurations, with prices typically ranging from \$20 to \$500+ depending on dimensions and customization. Overview of Metal Mesh Cable Trays

Metal mesh cable trays, also known as wire mesh or basket trays, are open-grid systems designed to support and organize cables while allowing airflow to prevent overheating. They are widely used in data centers, industrial plants, commercial buildings, and offshore installations. These trays can be bent, cut, or configured into curves, tees, crosses, and elevation changes on-site, making them highly versatile for complex cable routing .

Common Models and Sizes Grainger

- Offers straight-section wire mesh trays for standard cable runs.
 - Accessories include straight connectors, tees, and mounting brackets.
 - Suitable for wall, overhead, or underfloor installations.
 - Pricing varies by size and material; small straight sections typically start around \$30-\$50, while larger or specialized trays can exceed \$200 .
- McMaster-Carr
- Provides over 475 wire mesh tray products in various styles and sizes.

- Includes pre-galvanized, stainless steel, and powder-coated options.
- Same-day or next-day delivery available.
- Prices range from \$25 for small sections to \$400+ for heavy-duty or long trays .

Legrand

- Offers wire mesh trays with accessories like universal dropout kits, trapeze hanging clips, and battery-powered cutters.
- Sizes include 12" and 18" dropouts, 90° bends, and center hangers.
- Materials include hot-dipped galvanized and electrozinc finishes.
- Pricing is typically \$50-\$300 per section, depending on size and finish .

Shielden

- Specializes in custom metal mesh cable trays for industrial, commercial, and data center applications.
- Available sizes: 38mm, 58mm, 108mm, 158mm, 208mm.
- Materials: stainless steel, galvanized steel, aluminum, FRP/GRP.
- Features: corrosion-resistant, fire-resistant, easy installation, and customizable lengths.
- Prices vary widely based on size, material, and customization; standard small trays start around \$40-\$60, while large or custom trays can exceed \$500 .

Accessories and Customization

- Connectors and fittings: straight connectors, tees, crosses, bends.
- Mounting options: wall brackets, ceiling hangers, trapeze systems.
- Cutting tools: battery-powered cutters for steel or stainless steel trays.
- Custom lengths and bends: available on-site or from manufacturers for complex installations .

Summary

Metal mesh cable trays are lightweight, ventilated, and versatile, suitable for a wide range of applications. Prices depend on size, material, and customization, generally ranging from \$20-\$500+. For exact pricing and availability, it is recommended to contact suppliers like Grainger, McMaster-Carr, Legrand, or Shielden directly, as they provide detailed catalogs and can offer quotes for bulk or custom orders .
