

Namibia s Leading Manufacturer of Cable Trays

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

Key Takeaways

Key companies providing cable trays in Namibia include Brilltech Engineers Pvt. Ltd., Cable House, and Micro Sheet Crafts, offering a range of high-quality, customizable solutions. Brilltech Engineers Pvt. Ltd.

Brilltech Engineers is a prominent cable tray manufacturer and supplier in Namibia, offering durable trays made from galvanized steel, stainless steel, and fiberglass. Their products are designed for enhanced safety, cable protection, airflow, and space optimization. They provide both standard and customized cable tray solutions, along with support for system design, installation, and maintenance. Brilltech also exports to African and Middle Eastern markets, making them a reliable choice for large-scale projects .

Cable House

Cable House, established in 1983, is recognized for manufacturing and supplying cable trays, hose clamps, cable ties, and industrial connectors in Namibia. They offer customized solutions tailored to client requirements and are known for high durability, sustainable performance, and reliable service. Their team provides customer support for product selection and technical guidance .

Micro Sheet Crafts

Micro Sheet Crafts provides a wide range of modular and customized cable trays in Namibia. They focus on high-grade steel fabrication, quality testing, and timely delivery. Their products are suitable for various industrial and commercial applications, and they emphasize client satisfaction and long-term reliability .

Summary

These companies offer a variety of cable tray types, including perforated, galvanized, and modular trays, suitable for industrial, commercial, and construction projects. They provide customization, installation support, and adherence to industry standards, ensuring safe and efficient cable management. For inquiries or orders, contacting these suppliers directly via their websites or customer service channels is recommended .
