

Oman Fiber Optic Distribution Frame Manufacturer

Overview

PHYSICAL INFRASTRUCTURE Oman Fiber Optic Distribution Systems is proud to present Oman Fiber Optic structured cabling and physical network About Us Dist.

Key Takeaways

Oman Fiber Optic and Modern Peace Company are key providers of fiber optic distribution frames and related solutions in Oman. Oman Fiber Optic (OFO)

Oman Fiber Optic, established in 1996 and based in Muscat, is a leading Omani manufacturer of fiber optic cables and components, including optical distribution frames (ODFs) and structured cabling solutions . OFO operates fully integrated, technologically advanced facilities that comply with international standards, offering high-quality fiber products suitable for telecom, utilities, oil & gas, defense, and enterprise networks . Their ODF solutions are designed for indoor fusion connections, branch splicing, and pigtail management, and are suitable for harsh Middle Eastern climates, including high temperatures and coastal saline environments . OFO also provides pre-terminated solutions to accelerate installation and reduce errors, ideal for data centers, campus networks, and smart building projects .

Modern Peace Company

Modern Peace Company, headquartered in Muscat, functions as a full-line distributor of fiber optic products, including ODF frames, connectors, cables, and accessories . Their ODF frames support multiple adapter types such as FC, SC, ST, LC, and E-2000, and are made from durable cold-rolled steel with electrostatic spraying for protection . Modern Peace Company also offers custom fiber patch cord manufacturing, fiber optic test equipment rentals, and training for technicians entering the fiber optics industry . They distribute products from major international brands like Anarco, Huber Suhner, and Fitel, ensuring a wide selection of high-quality components .

Applications and Services

Both OFO and Modern Peace Company provide ODF solutions for:

- Telecommunications networks (urban and rural)
- Data and image transmission systems
- CATV and enterprise networks
- Indoor and outdoor fiber splicing and distribution These companies also offer technical consultancy, installation support, and training to ensure proper deployment and maintenance of fiber optic infrastructure .

Conclusion

For organizations in Oman seeking fiber optic distribution frames, Oman Fiber Optic is a primary manufacturer offering high-quality, climate-resilient ODFs and pre-terminated solutions, while Modern Peace Company provides a broad range of ODF frames, distribution services, and custom manufacturing options. Both companies are well-established and capable of supporting large-scale telecom and enterprise projects in Oman and the wider GCC region .
