

Outdoor power distribution box plastic casing

Overview

Latch/hinged plastic boxes for easy open/close action. Top cover screw fastening type. This item: RSE Waterproof distribution box for outdoor use, IP65, ABS plastic housing, outside, switch box, power box, garden socket box, 180 x 240 x 130 mm. These items are dispatched from and sold by different sellers. We are a dynamically growing company in the field of electrical engineering. As urban networks adopt smart monitoring and eco-resilient materials, these enclosures now serve as more than protective casings — they are part of intelligent energy and drainage systems. Made with chemicals safer for human health and the environment. Manufactured on farms or in facilities that protect the rights and/or health of workers. Shop products from small business brands sold in Amazon's store. Outdoor Waterproof Enclosure Box originally developed for modern industrial and residential applications, the TSM series. ETEK Solar offers IP65 plastic power distribution boxes for indoor and outdoor electrical protection.
