

Philippine manufacturer of cabinet rack and enclosure type

Overview

Top 7 Server Cabinet Manufacturers in the Philippines Discover the top 7 server cabinet manufacturers in the Philippines, offering innovative, durable solu.

Key Takeaways

Key Philippine manufacturers include Z&P Global Steel Manufacturing Corp., Hermaco Commercial, Cherimel Philippines Inc., and IT-focused brands like E-Abel and APC by Schneider Electric.

General Steel and Office Cabinets

Z&P Global Steel Manufacturing Corp. produces a wide range of steel office and home equipment, including filing cabinets, lockers, storage cabinets, mobile pedestals, racking systems, shelving, vaults, and vault doors. They also accept custom orders according to client specifications, ensuring quality assurance and compliance with customer standards .

Hermaco Commercial Inc. specializes in high-end steel furniture and cabinets, offering pre-assembled products and custom designs. Their products are individually inspected and made from premium materials, suitable for both commercial and residential applications .

Cherimel Philippines Inc. provides sheet metal fabrication services for equipment racks, steel cabinets, lockers, racks, clamps, brackets, metal enclosures, kiosks, and custom designs. They also offer precision cutting, bending, welding, and other fabrication services, making them a versatile manufacturer for industrial and commercial needs .

IT and Server Racks

For IT infrastructure, several manufacturers and distributors provide server cabinets and enclosures:

- E-Abel specializes in electrical enclosures and server rack cabinets, offering durable and customizable solutions for industrial and IT applications .
- APC by Schneider Electric provides high-performance IT racks and enclosures, including NetShelter SX, wall-mount enclosures, and soundproof racks, suitable for data centers, server rooms, and micro data centers .
- RS Philippines and Asianic Distributors Inc. distribute a variety of server cabinets and IT enclosures from trusted brands, ensuring quality and reliability for business infrastructure .

Customization and Specialty Services

Many of these manufacturers offer customization options to meet specific client requirements, including:

- Custom dimensions and designs for cabinets and racks
- Specialized enclosures for electrical, IT, or industrial applications
- Material options such as stainless steel, powder-coated steel, or aluminum
- Additional features like fireproofing, security locks, or modular shelving .

Summary

For businesses or individuals in the Philippines seeking cabinets, racks, or enclosures, options range from general steel furniture manufacturers like Z&P Global Steel and Hermaco, to specialized IT and server rack providers like E-Abel and APC by Schneider Electric. Cherimel Philippines Inc. offers extensive custom sheet metal fabrication for industrial and commercial applications, making it a versatile choice for tailored solutions. These manufacturers provide both standard and custom products to meet diverse operational needs.
