

Price of Molded Cable Trays in Afghanistan

Overview

Cable Tray Price List 2024 PDFPrice List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online. How much.

Key Takeaways

Molded cable trays in Afghanistan typically range from \$15 to \$50 per meter, depending on material, size, and supplier.Overview

Molded cable trays are used to support and organize electrical cables in industrial, commercial, and residential installations. They are commonly made from fiberglass, PVC, or other molded plastics, offering corrosion resistance and lightweight handling compared to metal trays . The price varies based on:

- Material: Fiberglass or PVC trays are generally more expensive than standard PVC but cheaper than stainless steel.
- Size and Load Capacity: Wider trays or those designed for heavy-duty cables cost more.
- Supplier and Import Costs: In Afghanistan, prices are influenced by shipping, customs duties, and local availability.

Estimated Price Range

- Small to medium-sized molded trays (100-200 mm width): \$15-\$25 per meter.
- Large or heavy-duty molded trays (300-500 mm width): \$30-\$50 per meter.

- Accessories (elbows, junctions, supports): \$5-\$15 per piece.

Factors Affecting Costs in Afghanistan

- Import Dependency: Most molded cable trays are imported from China, India, or the UAE, which adds shipping and customs costs.
- Material Quality: Higher-grade fiberglass or UV-resistant PVC increases the price.
- Local Market Demand: Construction projects in Kabul or major cities may have slightly lower prices due to higher competition, while remote areas may see higher costs.

Recommendations

- Compare Suppliers: Check local distributors or online suppliers in Afghanistan for quotes.
- Consider Bulk Orders: Buying in bulk can reduce per-meter costs.
- Verify Standards: Ensure trays meet ASTM or IEC standards for safety and durability. In summary, while exact prices fluctuate, expect to pay roughly \$15-\$50 per meter for molded cable trays in Afghanistan, with additional costs for accessories and shipping .
