

Price of steel cable trays in Nepal

Overview

PRK Steel Products Pvt. Ltd. is a trusted manufacturer and supplier of high-quality Perforated Cable Tray in Nepal, India.

Key Takeaways

Steel cable trays in Nepal typically range from NPR 1,500 to NPR 10,000 per tray depending on size, material, and finish. Price Overview

The cost of a steel cable tray in Nepal varies based on material type, thickness, width, and finish:

- Mild Steel (GI) Trays: Generally more affordable, suitable for standard industrial and commercial installations. Prices start around NPR 1,500–3,000 for smaller sizes and basic finishes .
- Stainless Steel Trays (SS-202/304/316): Higher durability and corrosion resistance, often used in high-humidity or chemical environments. Prices can range from NPR 5,000–10,000 or more depending on size and grade .
- Powder-Coated or Pre-Galvanized Trays: Offer additional protection against corrosion and aesthetic appeal. These are priced slightly higher than standard GI trays .

Size and Thickness Impact

- Standard Length: 2,500 mm
- Thickness: 1.2 mm to 3 mm

- Widths: 40 mm to 1,000 mm
 - Heights: 30 mm to 100 mm Larger trays with greater width, height, or thickness naturally cost more due to increased material usage and manufacturing complexity .
- Supplier Options
- Daraz Nepal: Offers a variety of steel cable trays online with competitive prices and delivery options .
 - Hutaib Electricals: Local manufacturer providing GI, powder-coated, and stainless steel trays at affordable rates .
 - Vaishno Storage Solution: Specializes in durable stainless steel trays for industrial and commercial use .
 - Super Cable Tray Pvt. Ltd.: Offers mild steel ladder and perforated trays suitable for factories, hospitals, and airports .
 - Kiash Electricals: Provides metal cable trays with powder-coated finishes for heavy-duty applications .
- Additional Considerations
- Installation Costs: Depending on project complexity, installation may add to the overall cost.
 - Accessories: Bends, risers, reducers, and tees are sold separately and can increase total expenditure.
 - Bulk Orders: Manufacturers often provide discounts for large quantities, which is relevant for industrial projects. In summary, a small standard mild steel tray may cost around NPR 1,500–3,000, while larger stainless steel or powder-coated trays can reach NPR 10,000 or more. Prices vary by supplier, material, and specifications, so contacting local manufacturers or online retailers is recommended for precise quotes.
