

Recommended cable tray manufacturers in Singapore

Overview

Browse our range of electrical cable management trays of all sizes & types in Singapore. Buy wire mesh trays, steel trays & more.

Key Takeaways

Singapore hosts a variety of cable tray manufacturers and suppliers, including local brands like Foresight Metal Engineering (FME) and United U-Li Projects, as well as international brands such as Cablofil, Legrand, and StarTech.com. Local Manufacturers and Suppliers

- Foresight Metal Engineering Pte Ltd (FME): Established in 1992, FME specializes in metal cable trays, trunkings, and ladders for commercial and industrial projects. They offer both standard and customized solutions, emphasizing quality and compliance with industry standards (Foresight Metal Engineering Pte Ltd) .
- United U-Li Projects Pte Ltd: Founded in 2009, this company provides a comprehensive range of cable trays, cable ladders, trunkings, conduits, fittings, and floor trunking systems suitable for diverse industrial projects in Singapore (United U-Li Projects Pte Ltd) .

- Ferrotech (Ferrograte): Offers a wide selection of cable trays including perforated, ladder, FRP, and wire mesh types, designed for efficient cable management systems (Ferrotech) .

International Brands Available in Singapore

- Cablofil International: Known for wire mesh cable trays, widely used in industrial and commercial applications (RS Singapore) .

- Legrand: Offers a variety of cable management solutions including trays and accessories for both industrial and residential use (RS Singapore) .

- StarTech.com: Provides cable trays and related accessories suitable for IT and electrical installations (RS Singapore) .

Additional Resources

- Trademo Singapore: A platform listing multiple cable tray manufacturers and suppliers, providing trade data, shipment details, and contact information for businesses seeking suppliers in Singapore (Trademo) . These manufacturers and brands cover a broad spectrum of cable tray types, including ladder, perforated, wire mesh, and FRP trays, and cater to both standard and customized project requirements. Whether for industrial, commercial, or residential applications, Singapore offers a robust selection of local and international cable tray solutions.
