Overview

Fibre Optic Cable Cable Applications is a leading South African distributor of Fibre Optic Cable including Heavy Duty Duct Best Fibre Optic Cables For Sale.

Key Takeaways

Exact Unicom fiber optic cable prices in South Africa are not publicly listed, but general market prices for fiber optic cables range widely depending on type, length, and specifications. General Pricing Overview

Fiber optic cable prices in South Africa vary based on single-mode vs multimode, indoor vs outdoor, and length. For example:

- Short patch cords (1-10 meters) typically range from R150 to R500 per unit.
- Longer cables (30-100 meters) can cost R1,000 to R5,000, depending on quality and specifications .

- Custom or ruggedized outdoor cables may be priced higher due to additional protective layers and testing standards . Suppliers such as Switchcom and Cables.co.za offer a variety of lengths and types, while Robustec Trading specializes in custom-built and locally manufactured fiber optic cables, providing quotes based on project requirements . Mouser South Africa lists cables in USD, with pricing dependent on quantity and specifications . Price comparison platforms like PriceCheck can help identify competitive offers .

Factors Affecting Price

- Cable Type: Single-mode cables are generally more expensive than multimode due to longer transmission capabilities.
- Length: Longer cables increase material and manufacturing costs.
- Environment: Outdoor or armored cables designed for harsh conditions cost more.
- Custom Requirements: Special connectors, testing, or assembly services can increase the price.

How to Obtain Exact Pricing

Since Unicom-branded fiber optic cables are not listed online, the best approach is to contact suppliers directly for a quote. Suppliers like Robustec Trading can provide custom quotes based on your project specifications, including length, type, and installation requirements . By comparing quotes from multiple vendors, you can determine the current market price range for Unicom or equivalent fiber optic cables in South Africa.
