

Swiss cable tray and support manufacturer

Overview

Philip Grahame International Limited is a manufacturer of cable installation systems based in Chelmsford, Essex, United Kingdom.

Key Takeaways

Leading Swiss manufacturers of cable trays and supports include InduPart AG, VALDINOX, HPK GmbH, and Brilltech Engineers, offering high-quality, customizable solutions for industrial and commercial applications. Key Manufacturers and Suppliers

InduPart AG has been a trusted partner in Swiss industry since 1998, providing a broad range of cable management products including metal and plastic enclosures, wire ducts, cable ducts, and cable protection systems. They offer custom fabrication, assembly, and on-site consulting to ensure solutions meet specific project requirements. VALDINOX specializes in wire mesh cable trays and support systems, producing durable and easy-to-install accessories. Since 1982, they have focused on high-quality manufacturing and technical expertise for industrial applications. HPK GmbH offers chrome steel cable trays and supports, including PVDF welding services. They provide detailed technical documentation, data sheets, and STP-format drawings, supporting both standard and custom installations. Brilltech Engineers supplies a wide range of cable trays in galvanized steel, stainless steel, and fiberglass. Their products are designed for durability, safety, and optimal airflow, and they provide professional support for product selection, system design, and installation.

Services and Capabilities

These manufacturers typically offer:

- Custom fabrication to meet specific dimensions or load requirements
- Perforated and mesh trays for improved ventilation and cable cooling
- Compliance with industry standards for safety and fire resistance
- Technical support including project planning, installation guidance, and maintenance advice

Applications

Swiss cable trays and support systems are widely used in:

- Industrial plants and factories
 - Commercial buildings and data centers
 - Electrical and automation installations
 - Renewable energy and infrastructure projects
- By choosing these manufacturers, clients can ensure high-quality materials, reliable performance, and tailored solutions for complex cable management needs in Switzerland .
