

## Tanzania Construction Site Electrical Distribution Box Price Inquiry

### Overview

Where can I buy construction site electrical distribution boxes in Electrical distribution boxes for construction sites in Tanzania are available from mult.

### Key Takeaways

Electrical distribution boxes in Tanzania for construction sites typically range from TSh 10,000 to over TSh 500,000 depending on type, size, and protection rating. Price Overview

- Basic Electrical Boxes: On platforms like Jiji.co.tz, small residential or industrial electrical boxes start from TSh 10,000, suitable for minor installations or temporary setups .
- Industrial/Construction-Grade Distribution Boxes: More robust options, such as the Tronic PS PB24 IP67 Enclosure Combi Distribution Box, designed for outdoor and harsh construction environments, are priced higher due to their IP67 protection, durability, and compatibility with voltages from 220V to 415V . Prices for these can range from TSh 200,000 to TSh 500,000 depending on size and features.

- Custom or Large-Scale Distribution Boards: Suppliers like Tronic and NEVG Company offer a variety of distribution boards, including modular and high-capacity units for industrial construction sites. Pricing varies based on number of circuits, MCB/MCCB integration, and material quality, with bulk orders often eligible for volume discounts .

#### Factors Affecting Price

- Protection Rating (IP Level): Higher IP ratings (e.g., IP65, IP67) for dust and water resistance increase cost.

- Material and Build Quality: Metal enclosures are generally more expensive than plastic but offer better durability.

- Voltage and Circuit Capacity: Boxes designed for higher voltages or more circuits cost more.

- Supplier and Warranty: Established suppliers like Tronic, NEVG, and Busybody provide warranties and after-sales support, which can influence pricing .

#### Recommended Suppliers in Tanzania

- Jiji.co.tz: Offers a range of verified sellers with prices starting from TSh 10,000 .
- Tronic: Specializes in industrial-grade distribution boards and electrical enclosures suitable for construction sites .
- NEVG Company: Provides high-quality electrical and mechanical supplies with options for bulk orders and technical support .
- Busybody Limited: Supplies electrical components and construction materials with a focus on quality and reliability . For construction projects, it is advisable to choose IP-rated, durable distribution boxes and consult suppliers for bulk pricing and installation guidance to ensure safety and compliance with local electrical standards.
