

UAE Integrated Distribution Box Brand Manufacturer

Overview

Discover all relevant Electrical Distribution Manufacturers in United Arab Emirates, including M-Tech (Multi Technology) Pvt.

Key Takeaways

Top integrated distribution box manufacturers in the UAE include Al Safeenah Engineering, WAROM, GRP Industries, E-Abel, and Translight, offering a wide range of industrial and commercial electrical enclosures. Leading Manufacturers and Suppliers

Al Safeenah Engineering specializes in robust distribution boxes made from carbon steel, stainless steel, or thermoplastic, with IP65/IP66 ratings for weatherproofing. Their products support DIN-rail mounting for MCBs, RCDs, and surge protectors, and comply with IEC 61439-1, UL 67, and CE standards, suitable for construction, industrial plants, telecom, commercial buildings, and renewable energy applications . WAROM UAE offers a variety of distribution boxes, including explosion-proof models like the BXM(D) and HRMD series, designed for hazardous environments and industrial applications . GRP Industries manufactures glass-reinforced polyester (FRP) enclosures and kiosks, providing weatherproof, corrosion-resistant, and IP-rated solutions for power generation, water treatment, oil & gas, and telecom sectors. Their products include battery enclosures, instrumentation cabinets, and fire & safety cabinets, with global certifications and over 30 years of experience . E-Abel provides stainless steel, aluminum, and galvanized steel distribution boxes and enclosures, focusing on practical, flexible, and innovative solutions for electrical and machinery industries . Translight supplies premium distribution boards and enclosure boxes in Dubai, offering single and double door boards, power distro boards, and tailored solutions for industrial, commercial, and residential applications. They emphasize reliability, safety, and efficiency, with partnerships with leading brands .

Additional Notable Suppliers

- Al Ghandi Electrical & Automation – Assembled distribution boards and enclosures for industrial and commercial use .
- Elmark Trading LLC – UL-listed power distribution blocks and industrial enclosures .
- Socomec SAS – Industrial power distribution units with main switches and modular configurations .
- Norden Communications Middle East FZE – Power distribution boxes for commercial and industrial applications .

Key Features to Consider

- Material: Steel, stainless steel, aluminum, or FRP for durability and corrosion resistance.
- IP Rating: IP44 to IP66 for water and dust protection.
- Certifications: IEC, UL, CE, and local UAE safety standards.
- Types: Explosion-proof, flush-mounted, surface-mounted, waterproof, or modular designs.
- Applications: Industrial plants, commercial buildings, renewable energy systems, telecom, and construction sites. For sourcing, most manufacturers provide customization options, including the number of ways/poles, internal accessories like busbars and terminal blocks, and environmental suitability for indoor or outdoor installations. Contacting suppliers directly allows for tailored solutions and quotations based on project requirements.
