

Uzbekistan Low-Voltage Distribution Box Manufacturer

Overview

Box Substation Manufacturers & Factories for the Uzbekistan Market Box substations manufactured by specialized factories offer the perfect answer: they comb.

Key Takeaways

Uzbekistan hosts several reputable manufacturers and suppliers of low-voltage distribution boxes and related electrical equipment, including ELSTAN, ENERGOREMONT, ENERGOPRIBOR, and GIGA ENERGY MAX. Key Manufacturers and Suppliers

1. ELSTAN Founded in 2003, ELSTAN specializes in both high-voltage and low-voltage equipment, including distribution boxes. They provide design, installation, and commissioning services for 6–110 kV systems. Their products comply with CIS standards and strict safety requirements, making them a reliable partner for industrial and agricultural enterprises in Uzbekistan . 2. ENERGOREMONT Located in Tashkent, ENERGOREMONT has been active since 1992, producing industrial low-voltage and medium-voltage equipment. They serve a wide range of applications, including residential, commercial, and industrial projects . 3. ENERGOPRIBOR Also based in Tashkent, ENERGOPRIBOR manufactures and sells transformers, circuit breakers, modular transformer substations, and both high-voltage and low-voltage equipment. They offer additional services such as transformer repair, installation, and supply of relays, fuses, measuring instruments, and capacitor banks . 4. GIGA ENERGY MAX This company produces transformers, transformer substations, and low-voltage equipment, serving industrial and commercial sectors in Uzbekistan . 5. CNC Electric Although primarily an international supplier, CNC Electric provides advanced low-voltage distribution solutions, including miniature circuit breakers, residual current breakers, and prefabricated substations suitable for residential, commercial, and industrial applications. Their products are designed for reliability, safety, and easy integration into electrical panels .

Additional Resources

For a more comprehensive list of low-voltage electrical cabinet manufacturers and suppliers in Uzbekistan, business directories such as [GoldenPages.uz](https://www.goldenpages.uz) and [YellowPages.uz](https://www.yellowpages.uz) provide updated contact information, addresses, and company profiles . These directories are useful for comparing product offerings, certifications, and service capabilities.

Summary

Uzbekistan's low-voltage distribution box market includes both long-established companies like ENERGOREMONT and ENERGOPRIBOR, as well as modern suppliers like ELSTAN and GIGA ENERGY MAX. These manufacturers provide a range of products from modular substations to miniature circuit breakers, ensuring compliance with local and CIS standards, and offering installation and maintenance services for industrial, commercial, and residential projects.
