

Where can I find pigtail fiber manufacturers in Malta

Overview

A fiber pigtail is a thin multimode or single-mode fiber optic cable with a connector installed on one end.

Key Takeaways

Fibconet is a key manufacturer of indoor fiber optic pigtails in Malta. Fibconet

Fibconet specializes in high-quality indoor fiber optic patch cords and pigtails, suitable for applications such as FTTH, data centers, telecommunication rooms, and LAN networks. They use top-quality raw materials and implement rigorous quality control, including pre-production and post-production testing for insertion loss, return loss, and other performance metrics. Fibconet has a monthly production capacity of over one million units, making it suitable for bulk orders and competitive pricing for large-scale procurement.

Additional Resources

For a broader list of fiber manufacturers and suppliers in Malta, you can consult directories such as Textile Info Media, which lists fibre manufacturers, wholesalers, and exporters in Malta, including contact details for potential suppliers.

Industrial Supplier Listings

While not Malta-specific, platforms like DirectIndustry provide access to multiple industrial manufacturers of fiber optic pigtails, including brands like Lettel, JPT, and TELMOR. These listings can help identify additional suppliers or distributors that may serve the Maltese market .

Summary

For companies manufacturing pigtail fiber in Malta, Fibconet is the primary local manufacturer with proven production capacity and quality standards. Additional suppliers can be identified through local directories or international industrial platforms that ship to Malta .
