

Which company should I choose for cable trays in Iran

Overview

We are an official sole agent of SPINA/ SCHIAVETTI TEKNO in Iran to provide electric cable tray systems and relevant accessories.

Key Takeaways

Key suppliers of cable trays in Iran include Parsian Gostar, Alborz Industrial Group, Eagle Barq, and Azarakhsh Cable Tray, offering a range of metal and PVC solutions. Local Manufacturers and Distributors

Parsian Gostar is a distributor of cable trays in various shapes and materials, located in Tehran North. They provide direct contact for inquiries and orders, making them suitable for both standard and custom requirements (info@ParsianGostar.ir). Alborz Industrial Group is the first and only manufacturer of PVC cable trays in Iran, offering products with high resistance to moisture, chemicals, UV rays, and rodents. Their trays come in multiple sizes, colors, and configurations, and are certified by Iranian laboratories, making them ideal for industrial and humid environments. Eagle Barq serves as the official agent of SPINA/SCHIAVETTI TEKNO in Iran, providing technologically advanced cable tray systems and accessories. They offer design, production, testing, and certification services, including custom solutions tailored to client specifications. Azarakhsh Cable Tray specializes in hot and cold galvanized cable trays, producing two-meter and three-meter branches suitable for various industrial applications. They are recognized as a leading local manufacturer with a broad product range.

Additional Suppliers

For broader options, Max. Abhar Cable Co., Zar Cable Kerman, ACF, Sepehr Alborz Cable, and Iran Power Development Co. are prominent companies in the wire and cable sector. While primarily focused on cables, some of these companies also provide cable management solutions and can be contacted for integrated systems .

Considerations for Selection

- **Material type:** Choose between metal, PVC, or galvanized trays depending on environmental conditions.
- **Customization:** Some suppliers like Eagle Barq and Alborz Industrial Group offer custom sizes and configurations.
- **Certifications:** Ensure compliance with local and international standards for safety and durability.
- **Technical support:** Suppliers with design and installation support can help optimize cable management systems. These suppliers collectively cover a wide range of cable tray types, sizes, and applications suitable for industrial, commercial, and infrastructure projects in Iran.
