Overview

China Cable Tray, Cable Tray Wholesale, Manufacturers, Price OEM factories often offer cheap cable tray pricing for bulk orders and fast lead times—top choice.

Key Takeaways

Wholesale cable trays in China, including Changzi, typically range from \$0.50 to \$1.50 per meter depending on type, material, and order volume. Pricing Overview

Wholesale cable tray prices vary based on material, design, and quantity. Standard perforated or galvanized trays for bulk industrial projects can cost around \$1.20 per meter for orders over 1000 meters, while smaller or specialized trays, such as fire-resistant or fiber optic management trays, may start at \$0.50 per piece for high-volume orders. Wire mesh or stainless steel trays, commonly used for flexible installations, are available from factory-direct suppliers at competitive rates, often lower than retail prices.

Types of Cable Trays

- Perforated Cable Trays: Suitable for general electrical installations, offering ventilation and load support. Bulk orders reduce cost significantly.
- Wire Mesh Cable Trays: Lightweight, corrosion-resistant, and easy to install; ideal for integrated wiring systems and data centers.
- Stainless Steel Trays (SS304/316L): Used in high-corrosion environments; prices are higher due to material quality.

- Galvanized Steel Trays: Economical option for standard industrial applications, providing anti-corrosion protection .

Supplier Options

- Made-in-China and Alibaba list numerous factory-direct and OEM suppliers offering volume discounts and customization options .
- Tradewheel connects buyers with over 170 registered cable tray wholesalers in China, facilitating bulk purchases and international shipping .
- Local manufacturers in Changzi, such as Changzhou Qiaobang Storage Equipment Co., Ltd, specialize in straight wire and wire mesh trays, providing competitive wholesale pricing and flexible order quantities .

Tips for Buying Wholesale

- Request quotes from multiple suppliers to compare prices and MOQ (minimum order quantity).
- Consider customization if your project requires specific dimensions or coatings.
- Check certifications for fire resistance, load capacity, and corrosion protection.
- Negotiate bulk discounts for orders exceeding 500–1000 meters or pieces. By sourcing directly from Chinese manufacturers or verified wholesalers, buyers in Changzi can secure cost-effective cable trays while ensuring quality and compliance with installation standards .
