

Zimbabwe cable tray support manufacturer

Overview

Looking for a trusted source to buy Cable Tray In Zimbabwe? Brilltech Engineers Pvt. Ltd is the one you can reach.

Key Takeaways

Leading cable tray manufacturers in Zimbabwe include Cable House, Brilltech Engineers Pvt. Ltd., and Jeetmull Jaichandlall (P) Ltd., offering galvanized, ladder, and custom cable tray solutions.

1. Cable House Founded in 1983, Cable House is a recognized manufacturer and supplier of cable trays, hose clamps, cable ties, and industrial connectors in Zimbabwe. They provide customized cable tray solutions tailored to client requirements, emphasizing durability, reliable performance, and long service life. Their products are suitable for industrial and commercial applications, and they support both national and international clients with professional guidance and customer service . 2. Brilltech Engineers Pvt. Ltd. Brilltech Engineers specializes in galvanized and ladder cable trays in Zimbabwe. Their trays are made from high-grade steel with hot-dip galvanization, offering corrosion resistance, long-lasting performance, and efficient cable management. Brilltech provides both standard and customized solutions, ensuring quick installation and compliance with international quality standards. Their products are widely used in power plants, construction projects, and industrial facilities. They also supply electrical panels and related support systems . 3. Jeetmull Jaichandlall (P) Ltd. This company offers a wide range of cable trays in various sizes, shapes, and configurations. They focus on high-quality manufacturing with modern equipment, ensuring excellent finishing and adherence to industry standards. Their cable trays are versatile, durable, and suitable for heavy loads, providing good ventilation and security for electrical installations .

Product Types and Features

- Galvanized Cable Trays: Steel trays coated with zinc for rust and corrosion resistance, ideal for harsh environments .
- Ladder Cable Trays: Industrial-grade aluminum or steel trays designed for heavy-duty cable support, widely used in commercial and industrial sectors .
- Custom Solutions: All three manufacturers offer tailored designs based on size, material, and load requirements.
- Durability and Safety: Products are designed to withstand wear, environmental stress, and provide proper ventilation to prevent overheating of cables.

Applications

These cable trays and support systems are suitable for:

- Industrial plants and factories
 - Commercial buildings and construction projects
 - Electrical distribution systems and power plants
 - Automotive and infrastructure projects requiring robust cable management
- For inquiries, you can contact these manufacturers directly via their websites or customer service channels to request quotes, specifications, and installation guidance.
